

Story Figures

Print and cut out the story figures for use as storytelling props. Use card stock and cover them with packing tape for durability. Use them in one of the following ways:

- Attach each figure to a small block or cup to make stand-up figures.
- Attach each figure to the end of a craft stick to make puppets.
- Put magnet strips on the back of each figure and use on a baking sheet or whiteboard.
- Lay them flat on the floor or table as you tell the story.
