

## SESSION 4

### "All Together" Chant

Use the "All Together" Chant during Responsive Play (Move). Join hands in a circle. Read the chant, pausing after each line so the group can repeat the words after you and follow the instructions.

**Walk with me, we all belong!** (*Walk one way.*)

**Now walk the other way.** (*Change direction.*)

**I can take a step to you.** (*Step into the middle.*)

**We all can join to play.** (*Step back out again. Swing joined hands.*)

Next, pass a ball around the circle while standing or sitting. Children do not have to throw the ball; they can hand the ball to the person beside them while you say these words:

**Pass to me, we all belong!** (*Pass the ball around the circle.*)

**Now pass the other way.** (*Change direction of the passing.*)

**I love to pass the ball to you.** (*Keep passing the ball.*)

**We all can join to play.** (*Keep passing the ball.*)

(*If someone drops the ball, stop and say this verse.*)

**If you drop it, that's okay.**

**We love you anyway.**

**Pick it up and start again.**

**We all can join to play.**
