### Advent/Christmas Story Figures

Print and cut out the story figures for use as storytelling props. Color the black and white story figures if desired. Use card stock and cover them with packing tape for durability. Use them in one of the following ways:

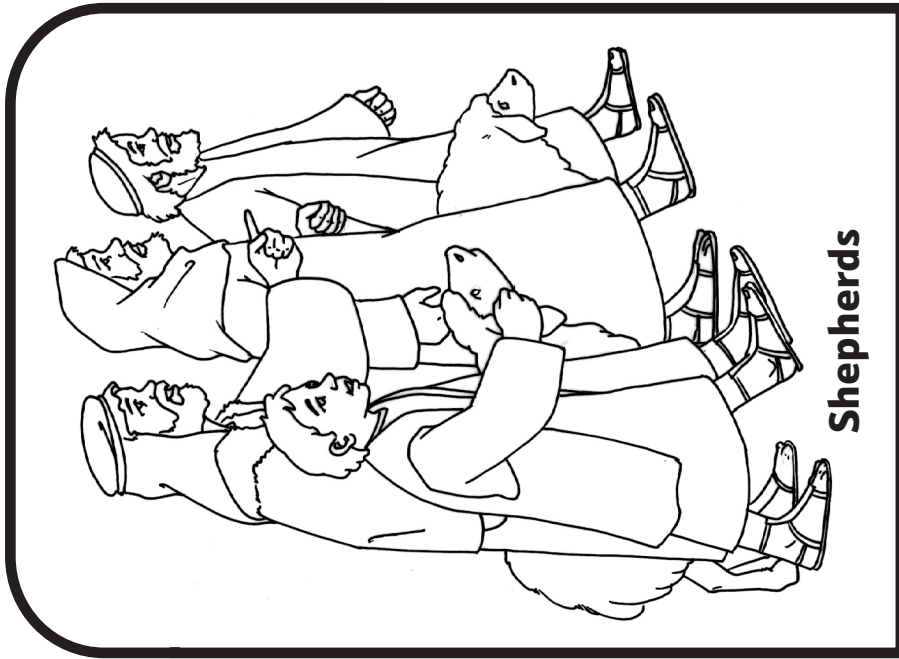

- Attach each story figure to a small block or cup to make it stand up on its own.
- Attach each story figure to the end of a craft stick to make a puppet.
- Put magnet strips on the back of each story figure and use on a baking sheet or whiteboard.
- Lay story figures flat on the floor or table as you tell the story.
